

# Saint Joseph Regional School Our Lady of Mercy Academy

January 9, 2025

*Empowering students to grow as informed, inspired, compassionate souls.*

Dear Parents and Staff,

In the effort to get our parent group up and running, we will have monthly Home and School meetings every month through May.

Here are the dates:

January 22  
February 19  
March 26  
April 30  
May 21

The meetings will be held in the Parish Hall from 6-7 pm, with coffee and cookies served. All parents are welcome to come. We are working on providing child care, but no promises just yet.

At least one of these will include a presentation about the EFA and ETC scholarships as we want to encourage parents to apply for monies available from the state for covering tuition and fees.

**PLEASE CHECK the LOST and FOUND. MANY LONELY STUDENT ITEMS WANT THEIR OWNERS.**

A project we have talked about among staff is to create a family business directory to share with all parents so that we can support the livelihood of others in our school community. If you'd like to be included in this directory, please share your business card or business information with me directly or with Mrs. Jen Marshall who will compile the directory.

Finally, let us all pray for the communities and families and businesses devastated by the California wildfires. The images on the news reports are heartbreaking. Some updates have included how schools, public and non-public, have been burned to the ground. It is hard to imagine how these fires will upend the lives of children and parents, so we will be praying for everyone at school in the coming days.

In His service,

Miss Victoria Farrington  
Principal

## **1 JOHN 4:16-19**

we have confidence on the day of judgment because as he is, so are we in this world. There is no fear in love, but perfect love drives out fear because fear has to do with punishment, and so one who fears is not yet perfect in love. We love because he first loved us.

## SJRS/OLMA FAMILY BUSINESS DIRECTORY

In January, we would like to put together a directory of all of the businesses owned by SJRS and OLMA families, so that we can share that information to encourage the support of those businesses within our school communities. If you own a business, please send along to Jen Marshall ([jmarshall@stjosephkeene.org](mailto:jmarshall@stjosephkeene.org)) your business name and contact information that you would like to share. We will only include those businesses whose owners let us know that it is OK to do so. THANK YOU!

## HOUSE MERCHANDISE

Beeze Tees has put together a great House merchandise store for us!

### **Riding in the Van**

Van space is very limited and not open to students in Grade 4 and below. If your child(ren) are riding in the van you should have already received a confirmation email from Mrs. Petschik. If you need a ride to the mountain, use the sign up sheet to see if other parents are able to transport kids and contact them directly for carpooling options.

Registration may still be open, but you must call or email to register because the options are not on Crotched's web page: 603-842-7549 or email [crotchedmtngroupsales@vailresorts.com](mailto:crotchedmtngroupsales@vailresorts.com) and give them the **SJK25 school code**:

### **Schedule:**

- Fridays 1/10/25 – 2/14/25 with lessons at 5 PM
- Make up lessons have not yet been decided upon so be sure you make it to as many lessons as possible

### **A few other important items to remember...**

**Please note that all elementary students, 4th grade and below, must be accompanied by a parent or trusted adult at all times during the mountain time (except during lessons).**

While this is a school club, there are no chaperones on duty for watching your children. Mrs. Petschik is the only school personnel that will be on-site and will not be able to watch any of the children (aside from her own) as she will also coordinate ticket and rental pickups or other issues as they arise. This club allows us to access Crotched's discounted rates on lift tickets, lessons, and rentals and we're so happy that we have such a great turnout to take advantage of this wonderful opportunity.

**LESSONS START AT 5:00 PM promptly and end at 6:00 PM** . All children should get their rental equipment by 4:30 PM to ensure they have plenty of time to put it on and get to the lessons.

**ALL PARENTS MUST PICK UP THEIR CHILD AFTER LESSONS** unless prior arrangements have been made with another parent. Please be ready to meet your child at 6:00 PM in the lesson area. If your child is 4th grade or younger, you as the parent are responsible for your child even if they want to continue skiing or snowboarding after the lesson.

**GRADES 5 and OLDER** - While we don't have enough parents to ski/snowboard with all the groups of kids, there are usually 3-4 parents out there on the slopes with the kids including Mrs. Petschik. Depending on the skill level of the kids, some of the St. Joe's/OLMA kids ski/snowboard in small groups and/or the buddy system. Be sure to talk with your child(ren) ahead of time about who they are going to ski/snowboard with if it's not you. Please also be sure that you are comfortable with letting your child on the slope by themselves if they are not skiing with a group, although this is not advised. Never assume they will have ski/snowboard partners so be proactive to find out how this will work best for you and your child. The buddy system is always best ;o)

**DINNER and/or SNACKS** and drinks should be provided by the parent if the child needs them. The cafeteria has many food options for purchase in the upper part of the lodge (still credit card only as far as we know).

**ALL PARENTS MUST PICK UP THEIR CHILD AT THE MOUNTAIN** unless a prior arrangement has been made with another parent or they are riding back in the van. Cell service is very spotty at Crotched so **make the arrangements ahead of time** so

you both know the time and place of pick up.

**ABOVE ALL - HAVE FUN & THINK SNOW!!**

On the Friday before our break, the faculty elves at OLMA pulled off a Christmas surprise! The students thought they had a full day of classes. BUT when they came to the Masiello Room for an Advent prayer before lunch, they got something more. Sarah Claus read *The Night Before Christmas*, then Santa Sully made a grand entrance from the fireplace, announcing an afternoon of Christmas fun instead!! Ornament making, cookie decorating, puzzles, board games, Legos, stockings with candy...merriment for all!
